Re: *United States v Dramion Coombs*, 21 Cr. 336 (JGK)

Your Honor:

I represent Dramion Coombs and write to request a modification of the conditions of his release. Specifically, we ask that the condition of home detention be removed and replaced with a condition of curfew, with hours to be set at the discretion of Pretrial Services (and electronic monitoring to remain). The reason for this request is to enable Mr. Coombs, who resides in Pennsylvania, to travel to and work in New York City on an ongoing basis.

Both the government and pretrial services consent to this application.

Respectfully submitted,

/s/  
James E. Neuman
